Students are turned away from full classes. As stated and agreed, upon signing and returning your enrollment form, failure to cancel (5) days prior to class and not attending will result in a \$50 Late Cancellation fee per non-attending student per day. (Ex. no-showing on a 5 day course = \$250 cancellation penalty) The cancellation of a private course and/or client site delivery in less than (10) business days prior to scheduled date will result in a 50% chargeback penalty. NO REFUNDS issued for prepaid classes not attended; class credit will be extended for 12 months following the date of cancellation.
